Information regarding bank reference

We would like to advise you to request a bank reference at your earliest convenience. Your bank might need some time to prepare it. Please be aware that we need to receive the document one working day ahead of the auction. Please make sure to instruct your bank of the credit amount that you would like to confirm. Should you intend on bidding with us in the future, we advise you to instruct your bank of an amount that will be large enough for future purchases as well. The form below is a specimen copy of a bank reference. Generally, the bank will send the document to you, not us. Please make sure to forward it by fax or email attachment at your earliest convenience.
